

## Need something printed? **GET IT. RIGHT. NOW.**

O'Cusack Print Communications is your one-stop, comprehensive source for all of your print-media needs. From complex commercial printing projects to a simple business form or envelope order, O'Cusack is the single source for all of your print communication requirements.

With 23 years of industry experience, O'Cusack is a leading provider of print media servicing a diverse client base. Our corporate headquarters in Howard County, Maryland is centrally located in the Baltimore/Washington DC corridor allowing us to quickly respond to your needs. In today's fast-paced, demanding business environment, our consultative approach is simple: we listen to you. We take great pride in carefully listening to our clients to ensure we have a thorough understanding of your needs and concerns. We rapidly respond to your requests and carefully ensure we have determined the best possible solution for your projects.

We are your one-stop problem solver for print communication, and we strive to create a long-term, strategic relationship with you:

- We partner with you, becoming knowledgeable in your business and work together to ease the burden of your challenges.
- We assess your needs and execute a plan within your budget and deadline to accomplish your objectives and goals.
- We are committed to your success – we do it right and we do it fast!

## We are ready. To do it right. Now.

Thank you for your time and consideration. We hope to be of service to you and your organization and have the opportunity to earn your business. To learn more, please visit us at [www.ocusack.com](http://www.ocusack.com) or contact Mike Cusack directly at:
