

Dear Mike,

On behalf of Tera Technology Group, I would like to personally thank you and your staff for such an incredible job on designing our new logo and business card. You and your team worked very hard and fast in fulfilling and exceeding our expectations. So far, I've had many compliments about quality and design on our new business card.

You are an exceptional communicator, always keeping me informed about the progress or status of the job. It was very much appreciated. I look forward to working with you on other projects as it was my pleasure. Thanks again Mike.

Sincerely,

Ryan Weick
